Continuously improving whole life value in the construction industry

Health and Safety Policy Statement

Whole Life Consultants Limited is committed to ensuring that its employees and visitors are provided with a safe and healthy working environment at all times and to ensuring the safety of others affected by our operations.

The Directors are committed to maintaining an open dialogue within the company on issues pertaining to health and safety.

1. It is the policy of Whole Life Consultants Limited to ensure that all its business activities comply with the current statutory health and safety legislation.

2. It is the policy of Whole Life Consultants Limited to put in place appropriate management structures that ensure that health and safety issues are considered as an integral part of the day-to-day operation of the company.

3. Whole Life Consultants Limited requires the full co-operation of all staff and their business associates in the implementation of its health and safety policy.

4. Whole Life Consultants Limited is committed to the maintenance of high safety standards and will give priority to the correction of any breaches that may occur.

5. Whole Life Consultants Limited is committed to the following.

    a. The provision and maintenance of accommodation, equipment, services and systems of work which do not present unacceptable risks to health and safety.

    b. The provision of such information, instruction, training and supervision as is required for individuals to comply with legislative requirement.

    c. The provision of adequate protective equipment and clothing where this is necessary.

    d. The recording and investigating every accident and near miss to establish its root cause.

    e. The encouragement of all members of staff to make constructive contributions to the promotion and development of health and safety within the business of Whole Life Consultants Limited.

Professor Malcolm Horner
Chairman
